

Answers to reading task 1

Developing inference skills

Being able to explain your answer is very important – if you can explain your answer, there will be more chance you will get full marks.

Story

Maiya finished the plate of sandwiches, and looked around for something else to eat. She was still hungry. She fetched a knife, and opened the forbidden tin.

What was Maiya going to do ? How do you know ?

Maiya was going to eat a piece of cake. I know this because she was still hungry after eating the sandwiches, whatever she was going to eat was kept in a tin and it couldn't have been biscuits because she needed a knife to cut it.

Did you get all three points ?
