

Answers to Y3 reading task:

Why couldn't the tadpole keep his promise?

The tadpole couldn't keep his promise because all tadpoles change into frogs.

Why was the caterpillar's heart broken?

The caterpillar's heart was broken because the tadpole had promised he would never change and he had grown arms and legs.

What did caterpillar do when her heart was broken by the tadpole?

When the caterpillar's heart was broken by the tadpole she crawled up the willow branch and cried herself to sleep.

What did caterpillar decide to do after she had changed into a butterfly?

Caterpillar decided to forgive the tadpole when she had changed into a butterfly.

Why did the frog eat the butterfly ?

The frog ate the butterfly because frogs eat insects and the frog didn't know that this butterfly was the caterpillar he had fallen in love with.
